

STOKOE COMMUNICATIONS

Message from the President:

I want to wish everyone HAPPY HOLIDAYS! We very much appreciate the opportunity in providing our Products & Services to you... 2025 was an incredible year at STOKOE COMMUNICATIONS and we look forward to the challenges of the New Year...Thanks to all of our customers new and old and our STOKOE TEAM!

– Dave

Give Your Site the Gift of Smarter Security!

Add iPRO's new X and S series cameras to your wish list:

Model number: WV-SI5701-Z3LN:

Introducing i-PRO's newest AI-enabled High Zoom Bullet Cameras, giving you long-distance monitoring without the cost or complexity of a PTZ system. These fixed cameras deliver clear images at long range, even in low light, making them perfect for large outdoor areas like parking lots, ports, highways, and rooftops.

With smart AI object detection, licence-plate reading options, and strong cybersecurity, they offer a powerful all-in-one security upgrade. A flexible mounting system and weather-resistant design also make them easy to install and dependable year-round. Pictured below is a testimonial from Father Christmas himself:

High zoom bullet cameras

- Long-distance monitoring--
- Edge AI analytics--
- Optimized for Licence Plate Recognition--
- Easy installation--

Order this Camera by December 30 and you're automatically entered to win two tickets to see the Harlem Globe Trotters on Feb 4th at the New TD Coliseum

Stokoe at Mohawk's President's Golf Classic — a highlight of the year.

Stay tuned for exciting things coming in 2026 — including a brand-new and improved Stokoe website at www.stokom.com! Rumours from Santa's Workshop hint that cutting-edge iPRO radar technology is arriving this January 2026, so keep your eyes peeled for the latest innovations brought to you by Stokoe Communications!
